WWW.OURCOLONYWOODS.NET

That's right we have a website. For those of you who didn't know about it this is news, and for those that knew this is simply a reminder of ALL you can find on it.

As the world has moved into the electronic age, we at Colony Woods have tried to stay on the cutting edge of technology. We have our own website, and have maintained it for about 2 years. This webpage is a very good source of information that is relevant to your neighborhood.

On the site, you will find names and phone numbers of the board members, in the event that you would like to get involved or have an item you would like to discuss. Also, there is a copy of the deed restrictions on this website so that if you are planning a home improvement, our restrictions and the Architectural review forms are available for you.

On this website we have also tried to promote from within our own neighborhood allowing postings for things that current residents are selling or that residents are looking for.

This is also a good place to look to see what is happening in our neighborhood as we try to keep posted pictures of current events and upcoming activities within Colony Woods.

If you have suggestions as to some ways we can improve the site let us know and we will try to accommodate you.

We would like this site to provide residents with the most information possible and promote a positive attitude for our neighborhood.

OPEN BOARD MEETING

Mark your calendars for the open board meeting on Monday, March 6th, 2006, 7:30 PM at the Lenexa police department. The room is located on the west end of the complex by the police department entrance. We had such a great turnout last year we hope to build on that and have an even larger crowd this time. We are trying to get some guest speakers to update us on the progress of the 87th street project, and a safety update on the surrounding community in Lenexa. Mark your calendars and plan on being in attendance.

Notes from the Beautification Committee:

Attention Gardeners!!

We are planning our semi-annual Colony Woods Garden Tour! We currently have two dates set aside and need to have neighborhood gardeners volunteer to show their gardens during one (or both!) of the tours. The dates are both on Saturdays, May 20th and June 3rd. Please contact either one of us by phone or e-mail to let us know that you are interested, and which date you would prefer. Think Spring!!
